Accessibility Guide

November 2024

Glasgow Prestwick Airport is committed to providing accessibility for passengers throughout our facilities. Assistance is available from any on site location including car parks, train station, bus stops and the terminal building. Further information can be found via our special assistance page on our website at www.glasgowprestwick.com

REGULATION EC1107/2006

The regulation EC1107/2006 establishes rules for the protection of assistance to disabled persons with reduced mobility by air, both to protect them against discrimination and to ensure that they receive assistance. This regulation also outlines minimum standards regarding assistance waiting times. Recorded waiting times are published twice annually on both the CAA and respective airports website. Please see below for the ECAC quality standards waiting times.
